EQUALITY AND DIVERSITY POLICY

Introduction

This Equality and Diversity Policy represents a commitment to a common set of values and objectives, and to a consistent approach to communicating, implementing and monitoring the policy.

Aims

We recognise that the public sector equality duty has three aims and they are to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct under the Equality Act 2010.
- Advance equality of opportunity between people who share a protected characteristic and those who do not
- Foster good relations between people who have a shared characteristic and those who do not

Outwood Grange Academies Trust will annually review how well we achieve these aims with regard to the protected groups under the Equality Act 2010 (race, disability, gender, gender re-assignment, age, pregnancy and maternity, marital status, religion and belief and sexual orientation.)

All of our academies are committed to advancing and achieving equality of opportunity for all students, parents /carers / associated persons, staff, governors and visitors. We believe that all people are of equal value and are entitled to equality of opportunity and that our diversity enriches our community.

Scope

This policy encompasses the following protected characteristics:

- age
- disability
- gender reassignment
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation
- marriage and civil partnership

Values, principles and standards

Equality of opportunity is fundamental to good practice in education, in which fairness of opportunity for all is a basic right. This policy is therefore underpinned by the following values, principles and standards:

- equality and social justice
- acknowledging and valuing diversity
- respect for others
- compliance with equality legislation
- elimination of all forms of prejudice and unfair discrimination
- active challenge to stereotypes, prejudiced attitudes and unfair discriminatory behaviour
- commitment to inclusive education which enables and supports all students to develop their full potential
- commitment to the positive development of all staff and governors
- commitment to fair and open recruitment processes
- accountability for compliance with this policy by all members of the school, Academy communities and others engaged in Academy activities.

Equality Objectives

We aim to provide the highest possible education for all of our students. The ethos of our academies clearly reflects our commitment to fully including and respecting all members of our academy communities.

We have set ourselves the following objectives for 2017/18:

- To ensure that staff and the governing body are aware of current legislation surrounding equality and diversity and understand the school's responsibility
- To promote cultural understanding and awareness and tolerance of different religious beliefs between different ethnic groups within our Academy community.
- To promote mental health awareness and develop appropriate interventions where necessary
- Actively close gaps in attainment and achievement between students for all groups of students; especially students eligible for Pupil Premium, students with special educational needs and disabilities, looked after children and students from minority ethnic groups.
- Continue to improve accessibility across the school for students, staff and visitors with disabilities, including access to specialist teaching areas.
- Monitor the incidence of the use of homophobic, sexist and racist language by students in the Academy.
- To review and revise the KSI-4 curriculum so that it represents a diverse culture and society and encourages tolerance and respect.
